DIGITAL SAT® SCHOOL DAY

Student Questionnaire Instructions

This guide will help you complete your SAT® School Day questionnaire—including where to send your 4 free score reports. Answers that are marked in this booklet will not be counted. You may not need to answer every question. Your instructor will direct you to respond to the appropriate questions.

Confidentiality
Your high school, school district, and state may receive your responses to some of the questions. Institutions that receive your SAT information are required to keep it confidential and to follow College Board guidelines for using information. See the SAT School Day Student Guide for Digital Testing (also at digitaltesting.collegeboard.org/for-students) for more details, including how to opt out of Student Search Service® if you change your mind.

How Answering Questions 4 and 7–29 Helps You
We strongly recommend that you answer Questions 4 and 7–29, which are optional, because your answers:
- Guide your counselors and college admission officers in helping you plan your future.
- Help College Board ensure that the SAT is fair and accurate for all students.
- Provide information to colleges and universities to create a picture of the academic preparation, extra- and cocurricular involvement, and post-high-school plans of your graduating class.

4. Student Search Service Say “Yes” to this free College Board service, and you’ll hear from a diverse group of eligible colleges, scholarship organizations, and nonprofit educational organizations looking for students like you. Here’s how it works: We send your basic college profile information to a variety of schools and programs. (Your test scores or phone number are never shared as part of this service.) Then the schools and programs send you information about themselves so you can see if they fit in your plans.
   - Yes, definitely!
   - No, thanks.
By selecting “Yes,” you choose to participate in Student Search Service, a free voluntary program that connects students with more than 1,700 eligible colleges, universities, scholarship programs, and nonprofit educational organizations. Participating, eligible organizations use this service to inform them of educational and financial aid opportunities. They search for groups of students based on search criteria that can include information you provide as part of this assessment or additional information you may provide on the College Board’s college planning website, BigFuture®. The following are excluded from the search criteria and from information we share: disability, self-reported parental income, phone numbers, actual test scores.
When you opt in to Student Search Service, the information that you have provided and score ranges from your College Board exams may be shared with colleges, universities, and scholarships that are interested in students like you. Also, if you opt in, your email address will be included in your College Board student record.

If you choose to opt in to Student Search Service, you understand that your responses to Questions 5, 7, 11, 13–25, and 28 will be kept by College Board and may be shared with eligible colleges, universities, scholarships, and other educational programs that participate in Student Search Service. Also, if you prepare a college list on BigFuture, we may share that list, or part of the list. If you do not respond to Question 4 and have previously opted to participate in Student Search Service, we will continue providing your information until you opt out.

5. Email Address This field is optional. By providing your email address, you’re giving College Board permission to contact you via email.
